DEVELOPMENT CONSULTANCY

About Us

GKP is a leading company established in the United Arab Emirates during the year 2018 and in Saudi Arabia during 2024.

Specializing in construction, fit-out, and contracting, with a diverse portfolio of services that include civil engineering, electro-mechanical engineering, furniture solutions, landscaping, and hardscaping.

With a legacy of excellence and a commitment to innovation, we deliver customized solutions that meet the highest standards of quality and efficiency. Our multidisciplinary team brings expertise and passion to every project, ensuring the success of our clients' visions and objectives in the Kingdom of Saudi Arabia.

Mission

To deliver world class construction that exceeds client expectations through innovation, precision, and quality.

Vision

To be the trusted leader in the construction and contracting industry, recognized for our ability to transform ideas into reality and for our dedication to shaping a better future.

Core Values

- » **Integrity:**
We uphold the highest ethical standards, fostering trust and transparency in every relationship.
- » **Excellence:**
We are committed to delivering superior quality and exceeding expectations in all our projects.
- » **Innovation:**
We embrace innovative technologies and creative approaches to drive efficiency and value.
- » **Collaboration:**
We believe in the power of teamwork, working closely with clients, partners, and stakeholders to achieve common goals.
- » **Safety:**
Ensuring the safety and well-being of our employees, partners, and the communities we serve is a core priority.

Our Services

Construction

From concept to completion, we deliver comprehensive construction solutions for residential, commercial, and industrial projects. Our approach ensures timely delivery, cost efficiency, and exceptional quality.

Fit-out

We create functional and aesthetically pleasing interiors customized to our clients' needs, blending creativity with practicality to transform spaces into exceptional environments.

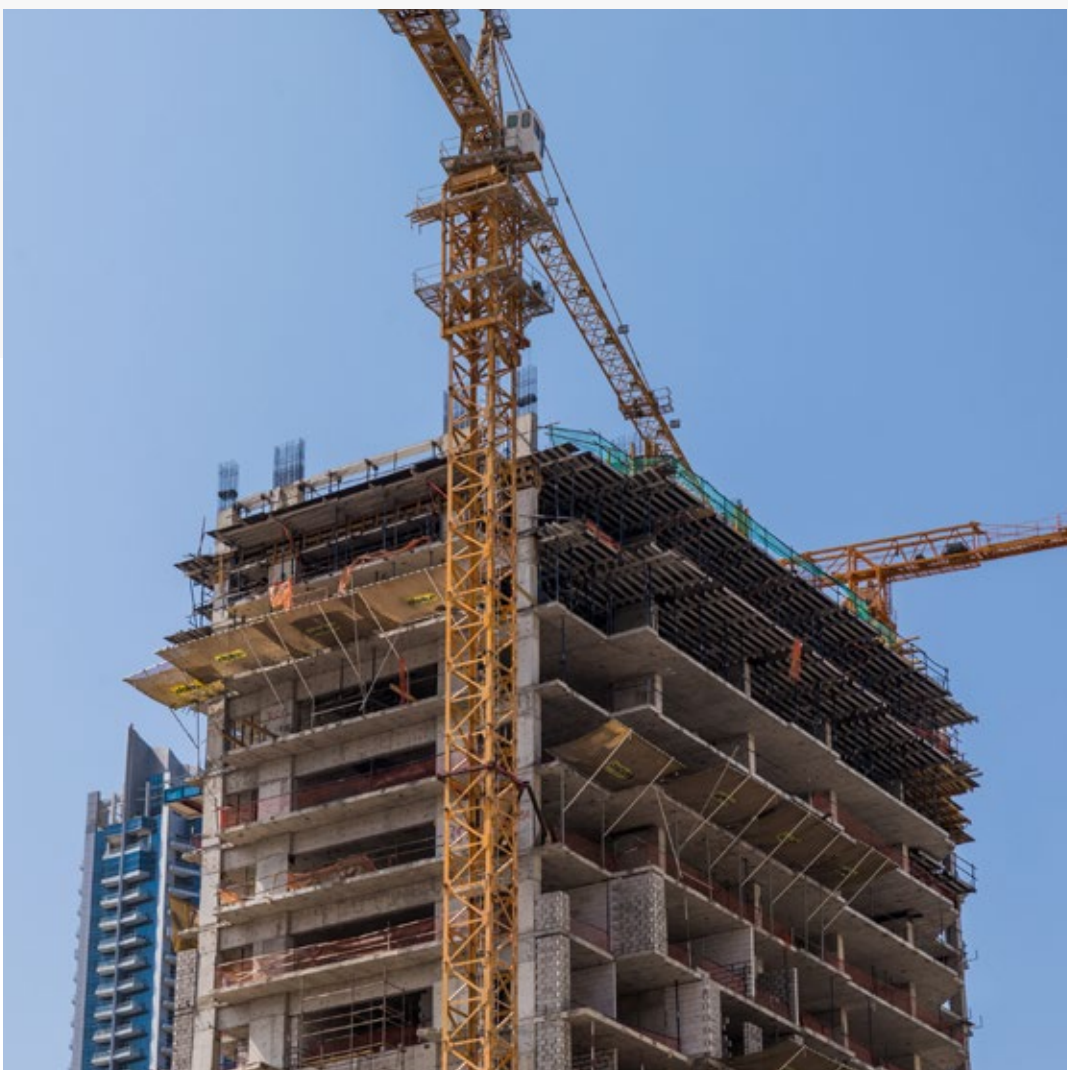

Contracting

As experienced contractors, we handle all aspects of construction and infrastructure development, from procurement to execution, with a focus on meeting deadlines and budgets.

Civil Engineering

We deliver innovative civil engineering solutions, ensuring the successful planning, design, and execution of infrastructure projects. Our expertise spans roads, bridges, buildings, and utilities, with a commitment to precision, sustainability, and safety at every stage.

Our Services

Electro-Mechanical Engineering

Our electro-mechanical engineering services integrate cutting-edge technologies to provide efficient and reliable systems for HVAC, electrical, and plumbing needs. We prioritize performance, energy efficiency, and seamless functionality in all our designs and installations

Furniture

We craft and supply bespoke furniture solutions tailored to enhance both form and function. Whether for residential, commercial, or hospitality spaces, our designs blend aesthetics with practicality to create exceptional interiors.

Landscape

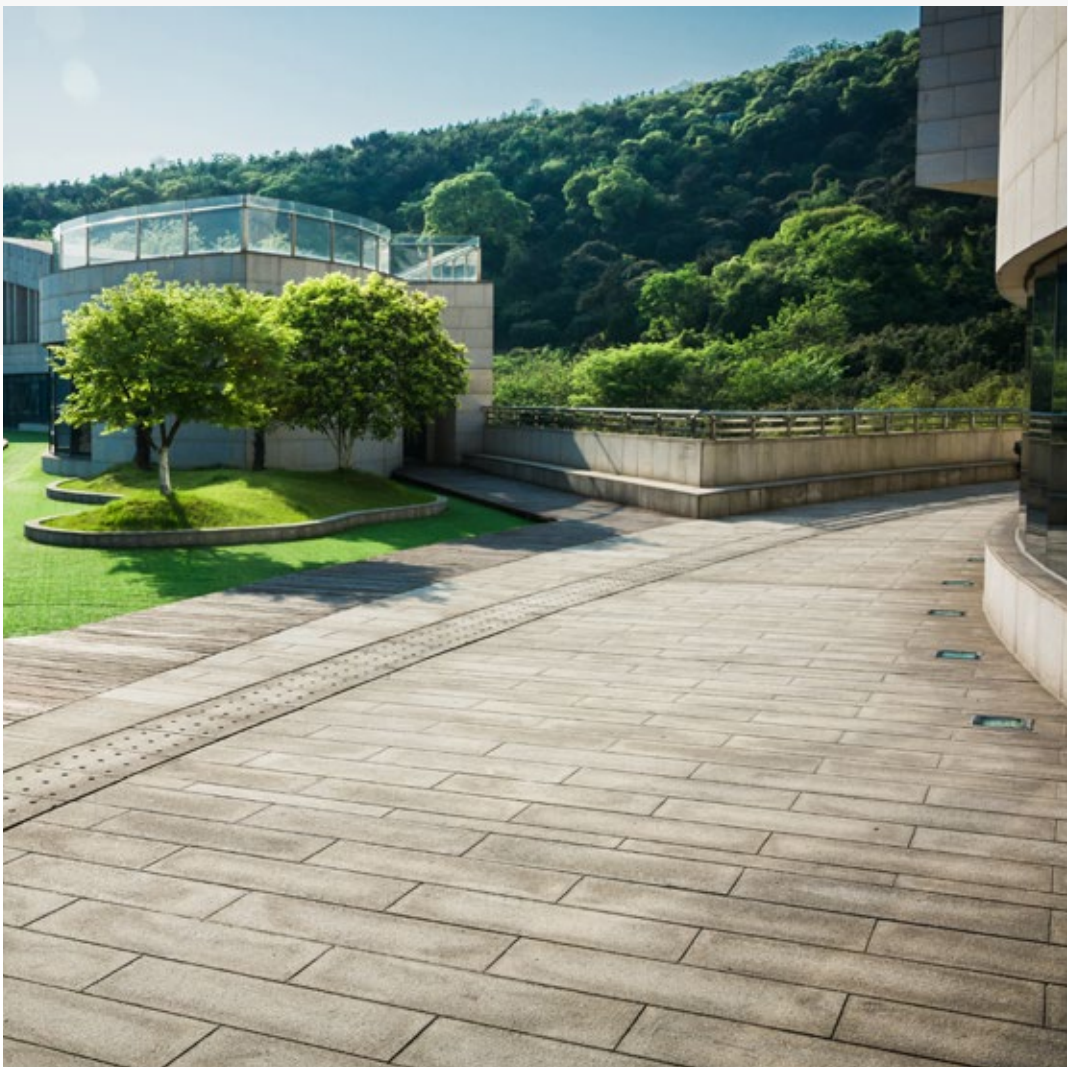

Our landscape services transform outdoor spaces into harmonious environments that combine beauty and sustainability. From concept to execution, we create landscapes that reflect your vision and enhance the natural surroundings.

Hardscape

We specialize in designing and constructing durable and visually striking hardscape features, including patios, walkways, retaining walls, and decorative stonework. Our attention to detail ensures a perfect balance of functionality and style

Projects We Worked On

Combining technical expertise with innovative approaches, we deliver comprehensive construction services for a variety of projects, ensuring precision, efficiency, and adherence to the highest industry standards
